

We are personally inviting you to join us for the **2024 Illinois Square & Round Dance Convention (ILSDC)** taking place July 19–20, '24, in Rosemont, Illinois. With one of the coolest-ever themes (Steampunk!) and one of the country's top callers (Tony Oxendine), we aim to give dancers a weekend to remember.

The **ILSDC** will launch on Thursday July 18 with a high-energy evening of dancing led by Tony Oxendine. On Friday, we kick into high gear, starting with afternoon dancing, followed by full-speed-ahead dancing in the evening. Saturday starts with education sessions and dance workshops during the day, then a Steampunk Ball that evening. On Sunday, we'll see everyone off with a mid-morning dance led by Tony O. and friends. On top of dancing, you'll find vendors, a raffle table and opportunities to catch up with your friends at the atrium-style Sheraton Suites Chicago O'Hare.

For everyone in the Midwest who loves square dancing, taking part in the **ILSDC** will guarantee you a fun weekend of dancing while supporting our activity. Register online any time at **ILSDC.dance**. Looking forward to seeing you in a square soon.

Janice Cha & Denise Hopkins
