THINGS TO SEE IN THE QC

July in the QC (Quad Cities) is beautiful! So much to do: river related activities (such as the Channel Cat water taxi), cultural festivals, baseball (River Bandits - a KC Royals affiliate), golf (John Deere Classic - a TPC event), food extravaganzas, farmers' markets, and lots of bike paths/walking trails along the Mississippi! LeClaire, IA, is part of the greater QC and it's home to American Pickers, wineries, a distillery, unique shops and restaurants. You better plan some extra time!
